

ENA RESIGNS FROM INTER ISLAND

James A. Kennedy of Honolulu Iron Works Chosen His Successor.

John Ena, at the meeting of the directors of the Inter Island Steam Navigation Company, yesterday afternoon, tendered his resignation of the office of president and general manager of the corporation. The resignation was accepted.

Immediately this had been done the question of the selection of a successor was taken up. The first candidate for this place when the resignation of Mr. Ena was broached about the time of the annual meeting, was R. H. Berg. Yesterday James A. Kennedy was chosen to succeed Mr. Ena. It is understood that Mr. Kennedy will immediately resign from his position as manager of the Honolulu Iron Works and after a short rest will take up the duties of his new place.

The change will take place at the end of July, the resignation of Mr. Ena being made to take effect upon the 31st of that month. As soon as he is relieved from the cares of his present position Mr. Ena will leave for California, where he will visit with his family for a time. He said yesterday that he would not abandon Honolulu but would continue to make this his home.

ATTORNEY BITTING GETS A PARDON

Governor Dole issued a pardon yesterday afternoon to Attorney C. C. Bitting, who was serving out a fifteen days' sentence in Oahu prison for contempt of court. The order was sent out of the Capitol building shortly after 3 o'clock and placed in Deputy Sheriff Chillingworth's hands. The paper was sent to the prison and at 4:30 the doors swung open for the attorney to allow him to pass out a free man. The pardon was issued in the usual form, the paper reading "for just and sufficient causes." Mr. Bitting was in excellent health when released. This is the second time the attorney has been pardoned from the same prison, each time after having served a portion of a contempt sentence. Mr. Bitting had served five days of the fifteen of his more recent sentence by Judge Gear.

WOMAN STOWAWAY ON THE ALAMEDA

Just before the gangplank was lowered from the Alameda yesterday Captain Flint made a search of the boat and succeeded in locating five stowaways, one of whom was a woman. She was a Porto Rican and was found in an officer's cabin, the door of which had been locked. Captain Flint, however, had been watching for her, as she was known to have gone aboard, and the search made was very thorough. It is intimated by the captain that some of the officers on board the steamers on which Porto Rican women stowaways have been found, were not altogether unaware of their presence aboard, and ships are to be watched very closely in the future. The remaining stowaways were men, three of whom were located in the coal bunkers, and the fourth hidden away in the sugar.

RIBS BROKEN INTO FRAGMENTS

Sam, a native boy about 24 years of age, formerly employed by the Tramways Co., was badly injured shortly before midnight by being run over by a hack. Three ribs were literally broken into small fragments, and there were also injuries to his back. The unfortunate boy was taken to Queen's Hospital, where Dr. Waterhouse attended him. He will probably recover.

LUAU FOR PATRIARCH.

Hawaiian Feast Given in Arion Hall Yesterday.

A Hawaiian luau was given yesterday at noon in Arion Hall in honor of Patriarch Alexander H. Smith by the congregation of the Reorganized Church of Jesus Christ of Latter Day Saints. Two long tables placed T-shape were arranged in the center of the hall and the patriarch occupied a seat where he could be seen by all. There was every variety of edible known to the luau table and the distinguished guest enjoyed the feast. There were no speeches, only the patriarchal blessing being given. Lots in abundance were brought as well as numerous gifts. Amongst these were a water gourd, a very old heirloom of a native family, small calabashes and plaited and woven work. A large crowd went to the Oceanic dock to see the patriarch off on the Alameda.
